Every Bend in the River

Take Me to the River, a "festival of festivals," combines some of the Valley's best art festivals with open studios and galleries, concerts, theater and more. From September 15th-23rd, you'll be able to find another arts event at every bend in the river.

Anchor events include Abnet Farm Art Show & Sale in Stillwater, Afton's Arts in the Park, Franconia Sculpture Park's Arts and Artists Celebration, Marine Art Fair, Rustic Road 13 Pottery Event and Sale in Hudson, Mississippi-Saint Croix Art Show in Hastings, the Spirit of the St. Croix Festival in Hudson, the Celebration of Community Bands at Spring Lake Park Reserve in Rosemount, and Chateau St. Croix's Fall Harvest Festival in St. Croix Falls.

As part of Take Me to the River, the Galleries at ArtReach St. Croix in Stillwater will be featuring a special show, "Rhythms and Blues," with Pat Casanova, Nicole Hoiland, Anne Labovitz and Jeff Ross, celebrating the dynamics of the river.

Full event information, suggested itineraries and an interactive map are all available at www.artreachstcroix.org
