

## **Artists Wanted to Show at Art's House Gallery**

Art's House Gallery in River Falls is looking for artists to show at our gallery from March through December. We are looking for a variety of media including paintings, photos, jewelry, 3D art which can include wood carving, fabric art, glass, etc. Even if you have never shown your art before, please consider showing with us! This is a great way to try it out.

Each show is for one month. Set up is the second Tuesday of the month and we have an opening on the second Friday. We love to have the artists at the opening but you are not required to be at the gallery other to set up and take down your art.

We appreciate any time you are able to donate to sit at the shop to help us keep it open. The hours are Thursdays from 1-5:00 PM, Fridays 1-7:00 PM and Saturdays 10:00 AM to 3:00 PM. Any part of the hours you are able to help is hugely appreciated. The tasks are simple and we will train you as well as be close at hand to assist if you need anything.

Art's House Gallery collects the tax and keeps 30% of the price you set. Art's House Gallery is a program of the River Falls Community Arts Base (CAB), a nonprofit organization dedicated to facilitating arts related events and projects in and around the community of River Falls, Wisconsin.
