

## Call for Artists

[Gammelgården Museum](#) will have 3 Art Fairs in 2018

Midsommar Dagen — Saturday, June 23, 2018, 10 am – 4 pm

Spelmansstämma (Fiddle Fest) – Saturday, August 18, 2018, 10 am – 4 pm

Christmas @ Gammelgården – early November 2018 (date and time yet to be confirmed)

No charge for a booth. Vendors need to bring their own tents and tables, very limited electricity is available.

All fairs, historically have been outside, except for November. Please request if you'd prefer an inside location. The Gammelgården grounds are beautiful with many trees offering shade.

Artists who have had booths in the past have been woodworkers, blacksmiths, jewelry, pottery. Our goal is to keep with high end crafts, even better - ones that may have been done by early immigrants. It is just a goal.
