

Get outside and play!

Call for Artists & Adventure

Wahoo! Adventures is seeking fun loving artists for a **new** St. Croix Valley trolley tour called “Art Trolley Adventures”. Our goal is to continue to grow the Valley as a “go to” art inspired destination by making it hassle-free, fun, and unique. Our plan is to offer this tour once/month starting in June and ending in September. Final dates will be determined by artists selected and their availability.

In keeping with our motto, “Get Outside and Play,” guests will board the trolley in Stillwater and experience 3-4 behind-the-scenes studio/gallery tours. The guests will be provided a couple other unique stops for walking and snacks, plus an outdoor lunch and wine experience. Each month the tour will provide new experiences, locations and lunch stops.

We are looking for artists who can:

- ≈ Welcome up to 30 guests to your studio/gallery and provide insight into your work process. This could be a tour, a demonstration or an artist talk. (Tours could be taken in shifts if there is a space limitation.)
- ≈ Guests will have the opportunity to purchase artwork and Wahoo Adventures will provide space on the trolley for purchases. However, we cannot guarantee purchases.
- ≈ Help get the social media buzz going by sharing Facebook, Instagram or Twitter posts and allowing guests to take photographs.

In return Wahoo Adventures will:

- ≈ Introduce potential new customers to your work.
- ≈ Promote your studio and/or website via our Art Trolley Adventures promotions.

Interested?

Contact Kerri via email at kerri@MyWahooAdventures.com by Friday, June 1st. Please include your name, contact information, website and a short description about the experience available at your studio.
